Re: *U.S.A. v. Fernandez et al.*, 12-cr-445-CM-10

Dear Judge McMahon:

I write with the consent of the government and Probation to request an adjournment of our upcoming Violation of Supervised Release (VOSR) hearing for defendant Lamont Robinson, which is currently scheduled for December 21, 2021, at 2:00 p.m.

Procedural History

We first appeared in this matter in front of Your Honor on September 23, 2019. A VOSR hearing in this case was originally scheduled for November 19, 2019. With the consent of the Government and the Probation Department, we previously requested eleven adjournments of that hearing, which the Court granted. The hearing was most recently adjourned to December 21, 2021, at 2:00 p.m.

Request for Adjournment

The requested adjournment is warranted because Mr. Robinson currently has an open criminal case in Bronx County (#01086-2019), for which the next scheduled appearance has been adjourned to January 11, 2022. The alleged criminal conduct in the Bronx forms the bases for the alleged violations of the conditions of Mr. Robinson's supervised release. Accordingly, any developments in that case may inform the parties' next steps in this matter.

In light of Mr. Robinson's ongoing state case, I request—with the pending consent of the government and the Probation Department—a further adjournment of the conference scheduled in this case to a date after January 17, 2022.
